

CREDITS

Below are the COMPASSION COUNTS CREDITS.
We thank EVERYONE in CALIFORNIA, the UNITED STATES,
and WORLDWIDE for their generous contributions to this project!

The ***Compassion Counts in California and Beyond*** Activity and Song Book, and the many initial accompanying Compassion Counts components are the brainchild of two California organizations: ***The Character Champions Foundation*** and ***Compassionate California***, along with the help of the compassionate generosity of many people from all over the world whose names are found below. We cannot thank them enough for their depth of caring and devotion to helping make the world a more compassionate place by contributing to this Compassion Counts Project. Please visit www.compassionatecalifornia.org and/or www.characterchampions.org for access to the full eBooks, accompanying components, and for more ideas and materials on how to spread compassion at home, school, and in your communities.
